Change to the Group Executive Board of BKW AG

Bern, October 31, 2022

BKW's Chief Financial Officer has decided to leave the company in the course of spring 2023. Ronald Trächsel intends to further expand his activities on various Boards of Directors in the future. The BKW Board of Directors and Group Executive Board would like to thank Ronald Trächsel for his many years of successful collaboration and wish him all the best as he takes on new challenges. The succession planning process is being launched without delay. Ronald Trächsel will be available to assist in the transition to his successor.

Ronald Trächsel, who has served as CFO of BKW since 2014, will be leaving the company in the coming months. He intends to take on new responsibilities on various Boards of Directors in the future, contributing his extensive knowledge and skills. "In recent years, I have taken great pleasure in developing BKW into a successful energy and infrastructure service provider that operates internationally. In the years to come, I would now also like to make my knowledge available to other companies and focus more on strategic matters," says Ronald Trächsel in regard to his future challenges. The Chairman of the BKW Board of Directors, Roger

Baillod, wishes to extend his thanks to Ronald Trächsel for his great service:
“Through his extensive expertise, Ronald Trächsel has made a significant contribution to BKW's success. We are very grateful to him for all he has done.”

Ronald Trächsel will be leaving BKW at the latest by the end of June 2023. The search for his successor has already begun.

BKW

The BKW Group is a Bern-based international energy and infrastructure company. It employs approximately 11,500 people. Its company network and innovative technologies allow it to offer its customers a full range of skills in the areas of infrastructure, buildings, and energy. The Group plans, builds, and operates infrastructure to produce and supply energy to businesses, households, and the public sector, and offers digital business models for renewable energies. Today, the BKW Group portfolio comprises everything from engineering consultancy and planning for energy, infrastructure, and environmental projects to integrated offers in the field of building technology and the construction, servicing, and maintenance of energy, telecommunications, transport, and water networks.

The registered shares of BKW AG are listed on the SIX Swiss Exchange.
